Dear Friend of Good News Radio,

December 2013

Greetings in the wonderful name of Jesus, whose birth we celebrate!

In a Marathon, there are 26.2 miles. The best marathon runners will tell you to keep a consistent pace for much of the race, but in the final two miles give it everything you have until you reach the finish line. In regards to 2013, we're down to the final mile and we need your help for a strong finish. We need to receive \$10,200 during the next few days to end the year in the black. "Good News Radio" is listener-supported, and most of our income comes from friends like you, who help with the expenses of the radio ministry.

It is your partnership that keeps this ministry on the air. We as a staff cannot keep the station going 24 hours a day alone. We need friends like you who have a heart for this ministry. I'm asking you to help "Good News Radio" meet our 2013 expenses by sending us a SPECIAL year-end, tax-deductible gift to the ministry of KMDY/WGNX. For your convenience, I've enclosed an envelope in which you can send your year-end gift. Your letter needs to be postmarked by December 31 for your gift to be credited as a tax deductible gift in 2013.

Thank You for helping us proclaim the Good News of the Gospel! KMDY-WGNX are making a positive difference for eternity and you're storing up riches in heaven when you support a ministry like "Good News Radio".

May you and your family have a wonderful Christmas and a blessed 2014!

The staff of Good News Radio

John, Lois, Weldon, Mary Ann, Dick, and Pat
