November 20, 2013

Dear Faith Fellowship Church,

Here in the United States, this is the time of year when we celebrate Thanksgiving. On the fourth Thursday of this month, millions of Americans will pause to remember their blessings and offer thanks to God and to others who were there when they needed them.

I am grateful to have this opportunity to thank you for your contribution to this life-changing ministry. Your financial partnership enables us to offer help and hope to suffering people around the world.

In August 2012, many areas in the Philippines had been struck by a massive monsoon. Many houses were flooded and destroyed. IDES partnered with Christian volunteers to help deliver relief supplies to the people in need. In one area there was a group of eight to ten believers that had been worshipping together for years. With the funding provided by IDES, they reached out to assist their neighbors. Soon many who had been helped began attending Sunday services to hear the good news of Jesus. Today forty to fifty regularly attend Sunday services. Several individuals have confessed Jesus as the Christ and have been baptized into Him for the forgiveness of their sins. The Filipino evangelist said, "God has truly used IDES to meet the physical and spiritual needs of the people affected by this disaster."

Your gift will enable us to strengthen the witness of a local Christian Church or missionary. With IDES' assistance, they will be able to reach out to meet the physical and spiritual needs of the people around them in the midst of disaster. Thank you.

Gratefully yours,

Rick Jett
Executive Director
