

Outline ... Romans 5:12-21 ...

1) Sin came into the world through Adam, 5:12-14.

- Death came through sin / Death spread to all people / Death reigned

2) The free gift of God supersedes the trespass of Adam, 5:15-19.

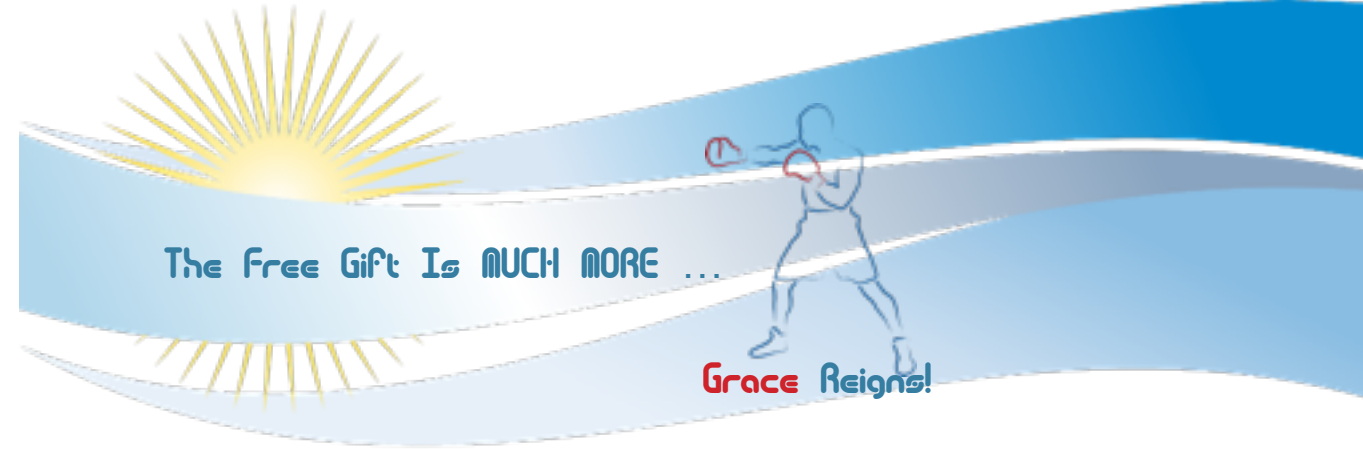

- Supersede: To cause to be set aside; to replace in power, authority, effectiveness, acceptance, use; to set aside or cause to be set aside as void, useless, or obsolete; to displace as inferior.

- **The trespass** (falling aside, going astray): kills, brings condemnation, allows death to reign, makes us sinners.
- **The free gift** (receiving grace and righteousness): abounds by the grace of God to many, brings justification, causes those who receive - abundance of grace, gift of righteousness - to reign in life through Christ, leads to justification and life, makes us righteous.

3) Grace reigns through righteousness, 5:20-21.

■ The grace of God always leads to righteousness, never leads to sin ...

- The grace of God is neither a crutch nor an enabler for our sinful lifestyle.
- The grace of God reigns through righteousness that leads us to living our life in Christ.
