

***DARKNESS TO MARVELOUS LIGHT.  
DEPRAVITY TO GLORY.***

- Until we understand and confess our depravity, we will not know ...
  - >WHO WE WERE,
  - >WHO WE ARE
  - >WHO WE ARE BECOMING.
- Until we understand and confess our depravity, we will insist on our ability to set the standards for good and evil, even under the guise of our religion.
- Until we understand and confess our depravity, we will neither embrace nor exult in God's offer of glory.
