The Bible ... and only the Bible ...

- The only full, accurate representation of our God-given responsibilities to our government and fellow citizens is found in our God-given Book-the inspired, breathed-out words of God, the Bible.
- No other document accurately and fully represents our Sovereign LORD and his instructions to us.
- No other document should be our source.
- Not the Declaration of Independence, not the U.S. Constitution, not the words of the Founding Fathers.
- The Bible is our supreme authority for life.
- Do not let the impostors and intimidators have the day and rob you of the peace that Jesus Christ promises.
