Merry Christmas! from TEAM TITUS Czech Republic

Merry Christmas from the Tituses!

It has been a very full last few months. As we look forward to the joy of Christmas, we reflect on some ministry and family highlights. Thank you so much for your prayers and support!

JOY

(an advent poem by Matthew)

Watching a sunrise

Listening to a favorite song

Being hugged by someone who loves you

Receiving a gift

Being told, "I love you."

Someone believing in you

Seeing a broken thing restored

Being young

Delicious food

A good drink

A deep conversation

Laughing with friends

Being invited

A kiss

Finding something you lost

A walk in nature

A rainbow

A quiet moment

Reading a good book

Dancing

Growing old

Restoring something that was broken

Believing in someone

Telling someone, "I love you."

Giving a gift

Hugging someone you love

Singing a favorite song

Watching a sunset

Being accepted

Being forgiven

Facing trials

Suffering

Helping others

Giving sacrificially

Forgiving others

The God of all creation

A baby

A God who walked with us

A God who ate and drank with us

A God who laughed with us

A God who cried with us

A God who died for us

A God who loves us

A God with us

Peace on earth

No more tears

No more death

God's kingdom is here

Baptism!

We kicked off the ministry year with a grill out/ baptism celebration of our son, Samuel! It was a wonderful time and we packed our yard with people from the church as well as non-believing guests who are friends of Samuel. And as parents, it brings us incredible joy.

Church Leaders Retreat

Another highlight of this season was our Network Praha Leaders Retreat. We had over 30 attend a weekend where we spent time in prayer, planning, training, and good fellowship together. It is encouraging to see so many young leaders who want to be an active part of God's kingdom in Prague.

Kenya Mission Update

Our church plant sent a short term missions team to Kenya to do an Art Camp. The team did sculpting, crafts, music, dance, sports, chess, and a Bible program for three weeks with over 200 kids! The team is back now but Hanka (*from our church plant - top picture, second from the right*)

will stay till next summer doing mission work and praying if she should stay long term. THANK YOU to those who helped give and pray to make this happen.

Church Work Day

Because of the generosity of a supporter and a church in the USA, we recently were able to make significant improvements to our church meeting space. Every other week, we have a Sunday night community service. At these services, we provide a meal and have a less formal, more interactive church service. We have found that unbelievers/seekers are much more likely to come to this style than the standard worship service. We are extremely thankful for the new tables, dishes, and stage that will help make this possible!

TEAM CZ Christmas

We recently had an “Ugly Christmas Sweater” gathering with our TEAM missionary colleagues. Although we are spread throughout Prague and the Czech Republic, we gather regularly for fellowship, prayer, encouragement, support, food, and fun. 😊

Merry Christmas!

Love,

The Tituses
